

The easiest & most enjoyable way to earn money for Chaparral Here's how...

Fry's - Scan our group bar code 10877 once with your VIP card, beginning August 1, 2007. Please re-scan each year.

Albertson's - Please pick up a new Community Partners Card from Maria Townsend, who can meet you at school. You must scan it each time you shop. Your original card (4 90001 24577) will still work, but they no longer use the Preferred Savings Cards.

Safeway/Whole Foods/escrip - Go to www.escrip.com to sign up and renew your Club Card now.

Bashas' - Re-link your Thanks a Million Card at Bashas' with our group no. 25317 beginning September 1, 2007.

Target - Link your red Target card now to Chaparral at www.target.com/tcoe, or call 800-316-6142.

Office Max - Use our group no. 100050455 each time you shop.

Schoolpop - Shop online at www.schoolpop.com and register your credit/debit card with Chaparral. Great earnings at many stores like Macy's!
