I will be attending Project Graduation 2009 immediately following the Commencement Ceremony on May 27, 2009. I agree to be alcohol and drug free. I understand that following the ceremony I will change into comfortable clothing and then check into Project Graduation. I understand that backpacks will not be allowed inside the facility. If purses, keys, or other personal belongings are brought into the facility they will be kept in the baggage area until the end of the evening. The busses will depart for F1 Race Factory at approximately 10:00 PM. Once I have checked in and have proceeded to the busses, I understand I am expected to stay with the group until we are dismissed at 5:00AM on May 28, 2009. If I become ill or want to leave the party, I will be allowed to call home and have a parent or guardian come and pick me up. I understand that if at any time I should leave Project Graduation, the Project Graduation Committee and CHAPTS will no longer be responsible for me or my safety.

As the parent or legal guardian of the above graduating senior at Chaparral High School, I give my permission for my son/daughter to attend Project Graduation 2009 at F1 Race Factory. I have read the above information and agree to be available by phone if my son/daughter needs to call home and be picked up. If at any time my child should leave the party site unaccompanied by a Parent Graduation Committee member, I will not hold the Committee and/or CHAPTS responsible for his/her safety. I understand that F1 will not allow personal backpacks in the facility and that purses and other personal belongings will be stored in the baggage area under adult supervision.
