In order to help provide Thanksgiving dinner to over 250 needy Scottsdale families, Allison Bogner (Chaparral, English III) and Service Learning need your help! If you are able to give this season, please consider having your family adopt a family. Each adoption requires a complete Thanksgiving dinner. See listing below. We need your commitment ASAP so we know how many more meals we require. If interested or questions, email Miss Bogner at abogner@susd.org.

Meals can be delivered to Miss Bogner (Room D108) on Monday, November 24.

Items needed for meal include all of the following: 1 FROZEN turkey, aluminum pan to cook turkey in, potatoes (instant is OK), stuffing, gravy, cranberries, green beans or alternate vegetable, a dessert or fruit, mushroom soup or chicken broth, miscellaneous baby food, and box to hold all the above items for delivery.

On behalf of all the families that will have a full stomach on Thanksgiving, THANKS!!

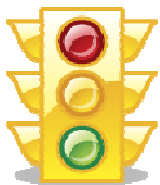

The Stay Alive Arizona is seeking community support in raising money to allow all 55 club students and faculty/sponsors to attend a retreat currently scheduled in January. The cost for attendee is \$120.00/person. Anyone wishing to make a donation to this 501c3 group should contact Chaparral club sponsor, Roseann Deak. Her email is roseand@susd.org

Chaparral Firebirds Final Home Football Game 2008

Join Student Government for Pregame Tailgate and "spirit" activities.

The CHS Student Government is holding a pregame tailgate party in the parking lot outside CHS football field on Friday, November 21 starting at 5PM. There will be free food. The CHS marching band, CHS pom and cheer squads will be in attendance as well.

Here is your chance to cheer the Chaparral Firebirds on to victory as they continue in the playoffs. **Go Firebirds!!!!**

Please remember that the designated area/lot for student drop off before and after school is the northwest lot (by the auditorium). Do not use the tiny lot by the office or coming in off 70 Street as it is the designated traffic flow for school buses as they drop off the students! For everyone's safety, use the northwest lot if you are dropping off your student. The only exception is if you are picking up a sick child from the nurse's office. We appreciate everyone's attention to this safety reminder.
