Dear Parents of Chaparral Seniors:

Commencement is scheduled for Wednesday, May 28th, 2008, at 8:00 p.m. in the Chaparral Football Stadium. Admission will be by ticket only.

Chaparral High School has a tradition of graduation ceremonies that are dignified and respectful – ceremonies of which parents and guests can be proud. In an effort to have this year's graduation be as fine as our students, faculty, parents and community desire and deserve, we are asking that at least one parent, or parent designated adult representative, attend one of the scheduled meetings for parents of graduates. It is not necessary to have your student attend one of these meetings. No appointment is necessary – simply attend one of the scheduled meetings listed below. At these meetings we will explain what we expect of students at the ceremony, have a brief explanation of Project Graduation by a parent representative, answer questions you might have and provide you with admission tickets. Each family will be provided with five complimentary tickets. (Special ticket requests due to family circumstances will be taken into consideration.) **Additional tickets will be available upon request at a \$5 donation per ticket.** A handicapped-seating section will be provided at the graduation ceremony. We ask that you have only one additional person accompany them in the handicapped section. Please ask directions at the gate on graduation night.

We ask that you be on time, as the informational meetings will be beginning promptly at the scheduled time. We have scheduled the meetings at different times from which you might choose. The meeting should last 30-45 minutes. Should anyone be out of town for the time period in which the meetings are scheduled or find it impossible to attend one of these meetings, please call my office (after all of the scheduled meetings have been held) at 480-484-6506 and we can discuss another mutually agreeable time. If you have any special considerations, please don't hesitate to call me.

I look forward to seeing you at one of these special meetings for parents of seniors.

Sincerely,

Mary Lou Muccino, Principal
